

# Bixby Village Approved Plant List

The following is a list of plants that the Landscape Committee has approved as appropriate for planting as borders for color in the flower beds adjacent to homes in Bixby Village. However, existing shrubs may not be removed in order to add bedding plants. Planting anything in common areas other than the following bedding plants is not permitted.

**P = PERENIAL      A = ANNUAL**

Best planting times for each plant is indicated

P Baby Tears	year round	P Geranium	year round
P Campanula	year round	A Impatiens	late spring
P Gazania	year round	A Lobelia	late spring
P Hahns Ivy	year round	A Pansies	late spring
P Mundo Grass	year round	A Petunias	late spring
A Scaveola	year round	P Phlox	year round
P Verbena	fall/spring	A Sweet Alyssum	year round
P Vinca Minor	spring	A Violas	fall/spring
A Marigold	spring	A Bachelor Button	year round
A Snapdragon	fall/spring	A Zinnia	late spring

**ANY OTHER DESIRED PLANTING MUST BE SUBMITTED TO THE LANDSCAPE COMMITTEE, IN WRITING OR EMAIL, THROUGH PCM**

## **SOME FINAL THOUGHTS**

1. Don't overplant. Everything you plant is likely to grow larger.
2. Know the soil, sun, and space requirements so that you put the right plant in the right place.
3. Fertilize and add planter mix and mulch. Our soil is poor – sandy with little vegetable matter.
4. Be advised that whatever you plant in common areas becomes common area property. Our gardeners will have to care for it, trim or even remove it if the plant outgrows the area or performs poorly.
